## Create The Perfect Patio With The Warm Hues of Luna Copper Tiles

Created to offer the same warm look as traditional sandstone slabs, the **Luna Copper** range is made from porcelain making it easy to instal and maintain. These 600mm x 600mm large format tiles have a matt riven finish offering good slip resistance and are 100% water resistant so do not require sealing post-installation, meaning that they can be enjoyed hassle-free for years to come. They are priced at £29.99 per sq m. As with all Tile Mountain products, samples of the Luna Copper range can be ordered free of charge online at [www.tilemountain.co.uk](http://www.tilemountain.co.uk)
